Relationship is what makes any ministry work. Strong relationships are formed with the children and their families through consistency. *We deeply appreciate your desire to partner with us to help take the Gospel of Jesus Christ to the precious children in Knoxville’s inner city.* Understand that these children have many people and things in their lives on a “temporary” basis. We are committed to showing them that the Love of God, demonstrated by His body is permanent and something upon which they can depend. Please keep that in mind as you prayerfully consider serving as a volunteer. We ask that your commitment be for the entire semester and that, barring emergencies, you come every week. The kids will get to know and count on seeing you every week—you will also receive the greatest benefit from your involvement if you are consistent. God bless and thank you—together we really can make a lasting difference in their lives!
